

COUNTY OF LOS ANGELES  
DEPARTMENT OF PARKS AND RECREATION  
*"Creating Community Through People, Parks and Programs"*

Russ Guiney, Director

November 25, 2008

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF DEPARTMENT OF PARKS AND RECREATION:  
REVISED GOLF COURSE GREENS FEES  
(ALL DISTRICTS) (3 VOTES)**

**SUBJECT**

Request to approve revisions to the Department of Parks and Recreation's Golf Course Greens Fees, effective January 1, 2009. Revisions to the Department's golf course greens fees are based on the annual review of fees charged for similar services by neighboring golf courses.

**IT IS RECOMMENDED THAT YOUR BOARD AFTER THE PUBLIC HEARING:**

1. Find that these actions are exempt from the California Environmental Quality Act pursuant to the Public Resources Code and sections of the State California Environmental Quality Act Guidelines as cited herein.
2. Adopt and instruct the Chair to sign a resolution to revise the Department of Parks and Recreation Golf Course Greens Fees effective January 1, 2009.
3. Approve revisions to the Golf Course Greens Fees Schedule, effective January 1, 2009.
4. Approve an increase to the Golf Course Improvement Fee by \$0.50 per round for 18 holes, from \$1.00 to \$1.50, and by \$0.25 per round for 9 holes and for seniors, from \$0.50 to \$0.75, effective January 1, 2009.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The Department of Parks and Recreation (Department) has completed its annual review of golf course greens fees in accordance with a 1980-81 Grand Jury recommendation. The most recent survey (Attachment I) and cost analyses indicate that the Department's schedule of golf course greens fees are approximately 28 percent less than the average fees charged at similar municipal and public courses in Southern California. Therefore, increases to the Department's schedule of golf course greens fees are warranted as outlined in Attachment II.

While the proposed increases will leave the Department's golf course greens fees below the average fees charged by other municipal and public courses, previous experience indicates that increasing golf course greens fees more than those proposed in Attachment II, at one time, may have a negative impact on the number of rounds played.

All fees were reviewed to ensure that they are reasonable and cost effective in comparison to other municipal and public courses. The results are reflected in our recommendations. The last revision to the Department's golf course greens fees was made July 1, 2007.

### **Golf Course Greens Fees and Related Actions**

The Department's golf course greens fees were last revised July 1, 2007. Since that time, operating expenses, including wages and product costs, have increased by an estimated seven percent over Fiscal Year (FY) 2007-08. In addition, the amount of funding being deposited into the golf course improvement funds has failed to keep up with the costs of providing major maintenance and improvements to the facilities.

### **Golf Course Greens Fees Increases**

The most recent survey of golf course greens fees indicate that the golf course greens fees at County courses are approximately 28 percent less than the average fees charged at similar municipal and public courses in Southern California ( Attachment I). Therefore, increases to the Department's schedule of golf course greens fees are warranted. The fee schedule, as outlined in Attachment II, would be effective January 1, 2009.

The recommended revisions to the current schedule of golf course greens fees represent a \$1.50 increase for weekday regulation play and a \$2.50 increase for weekend regulation play with other golf course greens fees increased at a proportional rate. In addition, it is proposed that the annual fee for Senior Citizen discount cards be increased from \$25.00 to \$28.00. Senior Citizen discount cards have not been revised since July 1, 2003. There are no proposed increases for junior green fees and tournament registration fees.

Although the proposed increases will result in the Department continuing to charge less than other municipal and public courses, prior experience indicates that increasing the fees by higher amounts at a single time, may result in a significant decrease in rounds at some courses.

#### **Golf Course Improvement Fee Increase**

On April 17, 2007, your Board approved the establishment of Golf Course Capital Improvement Fees of \$1.00 per rounds of play for 18 holes and \$0.50 for per rounds of play for 9 holes and seniors. Juniors are exempted from these fees. The purpose of the fees is to increase funding for capital improvements at specific management leased golf courses. As previously mentioned, the amount of funding being deposited into the golf course improvement funds has failed to keep up with the costs of providing major maintenance and improvements to the facilities.

Therefore, we are recommending an increase of \$0.50, per rounds of play, for 18-hole weekday play and the same for 18-hole weekend play. Lastly, we are also recommending a \$0.25 fee increase per round for 9 hole play and for seniors.

#### **Implementation of Strategic Plan Goals**

The proposed recommendations are consistent with the County Strategic Plan Goals of Service Excellence (Goal 1) and Fiscal Responsibility (Goal 4) by ensuring that appropriate revenue are realized to offset necessary operating costs, which allow the Department to provide the golfing public with consistently well maintained golf courses and by reviewing the golf course greens fees in accordance with the 1980-81 Grand Jury recommendations regarding reviewing fees on an annual basis.

### **FISCAL IMPACT/FINANCING**

The recommended actions will result in an estimated operating budget net revenue increase of approximately \$250,000 in FY 2008-09 and \$500,000 in FY 2009-10, which will be utilized to fund general operating cost increases throughout the Department. In addition, the recommended actions will result in an estimated Golf Course Capital Improvement Fund net revenue increase of \$240,000 in FY 2008-09 and \$480,000 in FY 2009-10, which will be utilized for capital improvements at specific management leased golf courses.

### **Operating Budget Impact**

The recommended actions will provide an estimated increase in the Department's Operating revenue of \$250,000 in FY 2008-09. The full year estimate of \$500,000 will be included in the Department's FY 2009-10 Proposed Budget Request.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The golf course greens fees were reviewed to ensure reasonableness and cost effectiveness in comparison to other municipal and public agencies. The results are reflected in our recommendations. The last revisions to the Department's golf course greens fees were made on July 1, 2007.

In accordance with Section 50402 of the Government Code, these changes must be approved by a resolution of your Board.

County Counsel has approved the attached resolution as to form.

### **Public Hearing Notice**

Public hearing notice requirements of Government Code Section 6062a have been satisfied and public hearing requirements of Government Code Section 66018, for fee increases will be satisfied by this action.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed actions are for the purpose of: (1) meeting operating expenses, including employee wage rates and fringe benefits and/or (2) purchasing and leasing supplies, equipment or materials, and, therefore, the proposed actions are not subject to California Environmental Quality Act pursuant to Section 21080(b)(8)(A)(B)(C) of the Public Resources Code.

The Honorable Board of Supervisors  
November 25, 2008  
Page 5 of 5

The proposed actions also do not meet the definition of a project according to Section 15378 (b)(4)(5) of the State California Environmental Quality Act Guidelines because the actions are administrative activities of government which by their terms do not involve any commitments to any specific projects which may result in a potentially significant physical impact on the environment.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The recommended fee increases are not anticipated to have a significant impact on services provided by the affected facilities. The public will be notified in advance of the effective date of the increases, with posted notices at each golf course.

**CONCLUSION**

Please instruct the Executive Officer-Clerk of the Board to forward three (3) conformed copies of this letter to the Department of Parks and Recreation for distribution.

Respectfully submitted,

RUSS GUINEY  
Director
